BACHELOR OF EARLY CHILDHOOD EDUCATION (HONS)

JPT/BPP(MQA/PA6538)11/20

Our **Bachelor of Early Childhood Education (Hons)** is an that incorporates introductory and advanced curriculum courses, strong social justice and leadership focus and placement experiences in early childhood settings that exceed minimum requirements. The degree is offered in recognition of the current and emerging need for well-qualified and competent educators in Malaysia, the region and beyond.

You will study specialist courses in early childhood education and development, complemented by generalist courses in education and professional studies, as well as elective courses of study in the social sciences and humanities offered by the Faculty of Social Sciences.

As a graduate, you will be equipped with the necessary knowledge and skills to become an outstanding early childhood educator, professional decision maker, ethical leader and theoretical, practical and critical thinker.

Upon completion of the programme, graduates are competent in:

- developing and delivery of pre-school curriculum
- developing innovative strategies to engage children with families in learning
- advocating for children and families
- continuing their professional development learning journey by practicing as reflective professionals

The Bachelor of Early Childhood Education (Hons) recognises prior learning and knowledge acquired by granting advanced standing into the programme.

Intakes
3 intakes in a year

Mode of Study:
Full-time / Part-time

Assessment:

Students' ability is gauged both through continuous assessments and a final exam. The continuous assessment component comprises tests/quizzes, mid-semester examination and projects/assignments which accounts for an allocation of about 40-60% marks depending on the course. The balance of the marks is allocated for the final examination.

Duration:
Full-time - 3 years
Part-time - 5 years
