FOUNDATION IN ARTS

JPT/BPP(MQA/FA6536)11/20

The **Foundation in Arts (FIA)** programme is a pre-university level programme designed to equip students with the knowledge and understanding of a wide range of courses in the field of social science. The successful completion of this programme allows students to progress directly into a Bachelor's degree-level programme.

Programme Objectives:

- To provide quality Pre-University qualifications with a broad and balanced curriculum that prepares students for the demands of undergraduate study.
- To equip students with critical thinking and independent learning skills, relevant to the needs of the modern world.
- To train students to be strong analytical problem-solvers who are able to operate within an ethical framework.
- To provide students with excellent communication skills in both written and verbal contexts.
- To equip students with the knowledge they need to satisfy admission requirements for higher education.
